MUNICIPAL PLANNING CALENDAR

ARCHIVES
Do Not Remove

June 1, 1986

Dear City Official:

The 1980's and 1990's will be an exciting and rewarding time to live, play, and work in the State of Tennessee. The celebration of Homecoming '86 and the Tennessee Bicentennial in 1996 will create an atmosphere of appreciation of our past and anticipation of the future. We hope that our MTAS Planning Calendar will reflect some of the excitement and vitality of this state.

I encourage you to use this calendar for two purposes: first, to assist you in daily planning and scheduling; second, to provide you with a list of special events, many associated with the Homecoming '86 celebration, that will help your city schedule its own special observances and possibly give you ideas for future events.

As always, I would encourage you to forward ideas and photographs (black and white glossy) for use in future calendars. Any Tennessee municipal facility, project, or program is a legitimate subject for future calendar feature photographs.

Have a good year!

Sincerely,

A handwritten signature in dark ink, appearing to read "C.L. Overman", written in a cursive style.
